

Community of Malpeque Bay
Council Meeting
May 19, 2013

Present: James Carruthers, Jamie Crozier, Herb Clark, Tyler Pickering, Tim Thompson, Myles Hickey, Trent Caseley

Administrator: Joanne McCarvill

The purpose of the meeting was to review the applications being submitted to the Island Community Fund and ACOA for the renovations to Sea View Hall. A discussion followed and it was noted that members of the Sea View Hall Board of Trustees have done an excellent job in seeking funding sources for the proposed renovations. Also noted was the value of having a local hall to offer the community a gathering place for community events such as, Canada Day Celebrations, WI projects, Card parties etc. It is a fully equipped hall with kitchen facilities and can and is used by local families when they need a larger place to host family gatherings. It was requested by the Trustees that the Community of Malpeque Bay be the applicant for this project.

It was moved by James Carruthers that Council support being the applicant for the project and the motion was seconded by Jamie Crozier. **Motion Carried.**
